

Welcome to the Ship Inn and to the world's only beach cricket club.

For this, our 29th season, we are delighted to be welcoming back thirteen teams, all of whom have played before on the beach here at Elie. Two of these sides (St Andrews University and the Greyhounds) remain unbeaten on the sand, so the home team will be doing all they can to change that record.

If you are a regular visitor to the East Neuk, or if this is your first visit to this unique sporting venue, we wish you all a very enjoyable visit to the Ship Inn and to Elie. And may the best team win...

The Ship Inn Cricket Club would like to thank this season's club sponsors.
