## **Frequently asked questions...**

### **What is the capacity of the Ship's Cabin?**

We can seat up to 24 diners round one single table. We can seat up to 32 diners at two tables of 16.

Where seating is not required, we can accommodate up to 50 people. More can be accommodated outside on the terrace but this is unprotected on wet days.

### **Can I supply my own food/drink?**

The simple answer is 'no'. We have a range of menus and options which should suit most budgets, and one of the attractions for our guests is having everything provided by the award-winning Ship Inn team. You can bring your own celebratory cake. If you have a wine of particular sentimental link then we will, by exception, allow this – there will be a corkage charge levied.

### **What time does the event need to finish?**

If you have a lunch event we will advise you in advance what time we will need your event to finish – our usual time is 5pm. If we have another event that evening, we will not be able to extend your own timing.

If you have an evening event, we can continue until midnight, but we are at all times bound by licencing laws and also by noise levels. We want you to enjoy your event but we are also mindful of our other guests and of our neighbours.

**Can we have a full bar and let guests choose their own drinks?**

We are limited by space so do not normally provide you with a full bar. We will ask you in advance to choose your wines, and small selection of spirits, mixers and soft drinks. We will keep these replenished throughout your event. We also have beer on tap and you can choose your own keg or barrel for a great party. If guests require other drinks, you are welcome to purchase these during your event from one of our two public bars.

**Can we have our own music or other entertainment?**

Please speak to us about this and we can plan something suitable together. We have hosted many types of entertainment, such as singers, jazz bands and close-up magicians. You may also provide your own playlists to help set the perfect mood. Please also note that we will insist that noise levels must at all times be suitable for all of our other guests and for our neighbours.

**What are the rules about children?**

Children are welcomed at all events. A specific children's menu is available for those under the age of 12. Licencing laws regarding alcoholic consumption and minors apply throughout the Ship's Cabin and beer garden - please do let us know in advance if there will be minors at your event and we can explain these to you.

**Is there any local accommodation?**

The Ship Inn has six award-winning bedrooms, four with stunning sea views. Advanced booking is essential and we recommend you ask about this as early as possible. Packages are available for combined Ship's Cabin and overnight stays during the off-season.

**What can you offer for corporate events?**

Please ask us about our specific corporate programmes. We can provide boardroom, classroom or theatre-style seating, with cutting-edge AV and multimedia. The Cabin provides an ideal location for board meetings, sales workshops, training sessions and all-day staff incentive and team-building days. We can also team up with local partners for watersports, sea safaris, golf, off-road adventure and other providers for a great day and evening.
